## Premium Apartments designed to accommodate your needs at every stage of retirement.

**At Tapestry Springboro, we believe that quality should not be sacrificed for affordability. The beauty behind our financial options is that while your finances change, your services and quality of care will remain the same.**

We have prioritized meeting your financial needs for both the present and the future by accommodating a limited, fixed income now and Medicaid availability, if needed, in years to come.

### INCOME BASED

For individuals with a qualifying income, Tapestry Springboro offers a subsidized rate for our Assisted Living services. An income-qualified individual's pricing would be based on Warren County's AMI (Average Median Income). Please refer to the table below for these qualifiers.

Average Median Income	One Person*	Two Persons*
40% AMI Monthly Income	\$0 - \$2,610	\$0 - \$2,983

80% AMI Monthly Income	\$3,915 - \$5,220	\$4,476 - \$5,967
